

## INDEX TO VOLUME XXXIII.

- Acentetus = Akentetus, 271.  
 Acknowledgments, 11, 44.  
 Acrididae, changes of generic names, 271.  
 Acrididae, notes on Canadian, 20  
     " on some Arizona, 102.  
 Amblychila cylindriciformis, 110.  
 Acheta, the genus, 120.  
 Acrida, the genus, 120.  
 Acronycta and types, 232.  
     " further about the types, 191.  
     " morula, 99.  
 Acronycta, on identifications in the genus, 122, 147, 191.  
 Acronycta, on types of, 242.  
 Adranes, blind beetles of genus, 25.  
     " cæcus, 25  
     " Lecontei, 26.  
     " pacificus, n. sp., 26.  
     " Taylora, n. sp., 27.  
 Aedes Smithii, n. sp., 260.  
 Agrotis, notes on Guenée's species, 177.  
 Alecanopsis, n. gen., 58.  
 Aleurodes citri, note on respiration of, 173.  
 Allotropa Loundsburyi, n. sp., 138.  
 Alpha = Cordillacris, n. nom., 271.  
 Alsophila pometaria, notes on life-history, 185 (plate).  
 Amarynthus muscolor, n. sp., 267.  
 Amaura = Ligocatinus, n. nom., 272.  
 Anacamptis lupinella, n. sp., 14.  
 Anacamptis lupinella, description of larva, 15.  
 Anconia integra, 104.  
 Andrena agilis, 152.  
     " alga, 150.  
     " aliena, 123.  
     " anogra, n. sp., 154.  
     " auricoma, 155.  
     " candida, 155.  
     " Carlini, 150, 153.  
     " clypeata, 124.  
     " cœrulea, 154.  
     " commoda, 152.  
     " cupreotincta, n. sp., 153.  
     " discreta, 152.  
     " errans, 153.  
     " fastuosa, 151.  
     " fimbriata, 149.  
     " flavoclypeata, 152.  
 Andrena fragilis, 149.  
     " frigida, 149.  
     " Hallii, 153.  
     " hiliaris, 151.  
     " hirticeps, 149.  
     " integra, 124.  
     " Krigiana, n. sp., 229.  
     " miranda, 153.  
     " modesta, 152.  
     " moesta, 153.  
     " nivalis, 151.  
     " nubecula, 150.  
     " obscuripennis, 150.  
     " perplexa, 150.  
     " placida, 151.  
     " pluvialis, n. sp., 154.  
     " simplex, 124.  
     " simulata, 152.  
     " sodalis, 152.  
     " subtilis, 155.  
     " vicina, 151, 154.  
     " victima, 123.  
 Anthocharis ausonides, 168.  
 Anthophora catalinae, n. sp., 297.  
 Anthophorinae, bees of the subfamily, 286, 297.  
 Ants attending caterpillars, 279.  
 Ants'-nest beetles, 25.  
 Aphis lactuceae, 69.  
     " ulmariae, 36 (note).  
 Aphonus = Aphonogryllus, n. nom., 272.  
 Arceopteryx, n. gen., 102.  
     " penelope, n. sp., 103.  
 Arctia virguncula, life-history, 325.  
 Arctium lappa, burrowed by Gortyna larva, 320.  
 Argynnis, notes on Alberta species, 157.  
 Ashmead, W. H., articles by, 138, 300.  
 Asilus fly, effect of attack on Colias philodice, 339.  
 Asphondylia gutierreziae, n. sp., 23.  
 Aspidiotus, species found in Canada, 197, 333.  
 Asterolecanium variolosum, 193.  
 A surprise, 288, 316.  
 Athysanus litigiousus, n. sp., 51.  
     " symphoricarpha, n. sp., 5.  
     " varus, n. sp., 5.  
 Augochlora cleomis, n. sp., 135 (fig.).  
     " cœrulea, 136 (fig.).  
     " Coloradensis, n. sp., 133.

- Augochlora humeralis*, 134.  
 " *neglectula*, 134.  
*Aulacaspis*, species found in Canada, 199.  
  
*Bæus Americanus*, 331.  
 " *minutus*, 331.  
 " *niger*, 331.  
 " *piceus*, 331.  
 Ball, E. D., articles by, 4, 45.  
 Banks, Nathan, articles by, 273, 329.  
 Barnes, William, article by, 53.  
 Barrett, O. W., article by, 234.  
 Bees, American, of the genus *Andrena*, 123, 149, 229.  
 Bees from Southern California, 281, 286, 297.  
 Bees, some new or little known, 229.  
 " of the genus *Augochlora*, 133.  
 Bees of the subfamily Anthophorinae, 286, 297.  
 Beneficial insects, experiments in exportation of, 58.  
 Beneficial insects, do. in importation, 183.  
 Bethune, C. J. S., articles by, 29, 155, 210, 211, 237, 238, 239, 241, 287, 337.  
 Bird, Henry, article by, 61.  
 Blind beetles from the Pacific coast, 25.  
 Book notices, 84, 155, 210, 220, 237, 260, 287.  
 Botys *Harveyana* = *Phlyctænia ferrugalis*, 140.  
 British Museum collections, 208.  
 Brunetti, E., article by, 207.  
 Brachycistis *carinatus*, 340.  
 " *gaudii*, n. sp., 340.  
 Bulla, the genus, 119.  
 Burdock burrowed by *Gortyna* larva, 318.  
 Burtia *cruenta*, 339.  
 " note on generic title, 339.  
 " *rubella*, 339.  
 Busck, August, articles by, 14, 52.  
 Butterflies of Alberta, list of, 40, 157.  
 Butterflies of Sioux County, Nebraska, 305.  
  
 Calgary, description of neighborhood, 40.  
 Callicarus *pennipes*, 339.  
 Cannibalism among caterpillars, 131.  
 Carneades *messoria*, 99.  
 " *nordica*, 99.  
 " *pleuritica*, 99.  
 " *tessellata*, 99.  
 Carterocephalus *palæmon*, 171.  
  
 Cary, Merritt, article by, 305.  
 Casey, Thos. L., article by, 312.  
 Catalog der Lepidopteren : Staudinger and Rebel, 260.  
 Caterpillars attended by ants, 279.  
 Catocala *Aspasia*, 13.  
 " *Babayaga*, 13.  
 " *Belfragiana*, 179.  
 " *chiracahua*, n. sp., 127.  
 " *Clintonii*, early stages, 221.  
 " *epione*, early stages, 225.  
 Catocala *fratercula*, var. *Ouzah*, n. var., 128.  
 Catocala *Frenchii*, n. sp., 125.  
 " *habilis*, early stages, 226.  
 Catocala *Judith* (Levetiei), early stages, 224.  
 Catocala, list of red-winged species of the United States, 12, 205.  
 Catocala *messalina*, 179.  
 " *micronympha*, 178.  
 " *minuta*, early stages, 222.  
 " *neogama*, early stages, 299.  
 " *obscura*, early stages, 225.  
 " *piatrix*, early stages, 299.  
 " *retecta*, early stages, 298.  
 " revision of the genus, 12.  
 Catocala, some recent work in the genus, 125.  
 Catocala *Walshii*, 13.  
 Catocalæ, notes on early stages, 221, 298.  
 Caudell, A. N., article by, 102.  
 Cecidomyiid, new, on *Gutierrezia*, 23.  
 Cephys *pygmæus* injuring wheat, 212.  
 Ceratopogon *specularis* reared from cow-dung, 43.  
 Change of name, 28, 324.  
 Change of preoccupied names, 267.  
*Chelostomoides*, n. gen., 231, 263.  
 Chionaspis, species found in Canada, 200, 315, 333.  
 Chionobas, notes on Alberta species, 164.  
 Chionobas *varuna*, 100, 165.  
 Chitosa, discussion of the genus, 251.  
 Chrysomphalus *dictyospermi*, 199.  
 Chrysophanus, notes on Alberta species, 165.  
*Chrysopheon*, n. gen., 256.  
 " *aurifuscus*, n. sp., 256.  
 Cicada, bibliography, 80.  
 Cicadidae, American genera and species, 74.  
 Cicadidae, bibliography, 76.  
 " table of genera, 74.  
 Cicindela *vulgaris*, var. *Roguenensis*, n. var., 226.

- Cicindelidae of Kansas, 110, 112, 115.  
 Cleoceris curvifascia, 100.  
 Coccidae of British North America, 179, 193, 314, 333.
